# ADNAN IBRAHIM

WEB DEVELOPER
+ GRAPHIC DESIGNER

ABOUT ME/

My name is Adnan and at twenty-eight, I am far ahead of my competitors thanks to my thirst for knowledge and the urge to learn new things every day. I am dedicated, hardworking and easy going and love being around gadgets in my spare time.
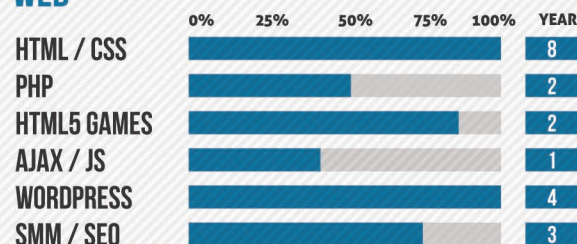

WORK EXPERIENCES/

### WEB DEVELOPER — 2013 - 2014
ARABIAN RADIO NETWORK

I am well versed in Wordpress, vBylletin, Joomla, Video Editing, Customized Scripts, Browser and Mobile Games. At ARN I have developed websites such as Tag91.1 (ARN's Tagalog station), developed online games, produced editorial content for Arabic Stations (Al Khaleejiya and Al Arabiya), helped expand their social media presence and optimised websites for search engines.

FREELANCER — 2003- 2014
ONLINE

I also undertake freelance work to fill my free time wherein I build and maintain websites for clients keeping the social media marketing as the main focus.

PORTFOLIO/

SOCIALKING.BIZ   01
2014
My personal business website, a one of its kind in the Middle East providing automated social media marketing services.

TAG911.AE   02
2013
TAG911, one of ARN's highest traffic generating radio station websites, was built by me - from visualising to building its functionality.

SUPER MARIAM   03
2013
My first HTML5 game Super Mariam made for Al Khaleejiya1009 has been implemented across other ARN station websites.

KINGOFDJ.EVENTS   04
2012
The other successfully launched websites include - www.kingofdj.events, which is the official website for Al Bastaki (DJ) events.
